Welcome to 584 McGill Drive, located on the beautiful campus of Oakland University. This mid-century modern gem was designed by famous architect Norman Carver Jr., who has worked on projects with Frank Lloyd Wright and Minoru Yamasaki.

Featuring 3-bedrooms, 2 full bathrooms and a finished basement, this incredibly unique 1,680 square foot home was built and inspired by traditional Japanese styling. The kitchen has been recently updated, featuring granite counter tops and new floors. Windows have been replaced and allow for generous amounts natural light.

Situated on a picturesque wooded lot surrounded by nature, you'll feel like you are up in the U.P. or rural Japan. You'll have a full 360 degree view from the signature wrap-around deck.
